New York, 12-16 April 2010**

**Possible revisions to the UNCITRAL Model Law on
Procurement of Goods, Construction and Services —
a revised text of the Model Law**

Note by the Secretariat

1. The background to the current work of Working Group I (Procurement) on the revision of the UNCITRAL Model Law on Procurement of Goods, Construction and Services (the “Model Law”) (A/49/17 and Corr.1, annex I) is set out in paragraphs 8 to 91 of document A/CN.9/WG.I/WP.72, which is before the Working Group at its eighteenth session. The main task of the Working Group is to update and revise the Model Law, so as to take account of recent developments in public procurement.
2. At its seventeenth session, the Working Group, for the lack of time, was not able to consider the entire draft revised Model Law contained in document A/CN.9/WG.I/WP.71/Add.1-8 and the issues related thereto highlighted in a note by the Secretariat (A/CN.9/WG.I/WP.71). The Working Group requested the Secretariat to revise chapters I to IV and some provisions of chapter V that were considered at the session, in the light of its deliberations.
3. The present note sets out the table of contents of the draft revised Model Law contained in the addenda to this note (A/CN.9/WG.I/WP.73/Add.1-8). The provisions of chapters V to VIII that were not considered at the Working Group’s seventeenth session were further revised by the Secretariat in the light of the changes agreed to be made so far in the Model Law.
4. It is expected that at its eighteenth session, the Working Group will proceed with the consideration of those provisions of chapter V of the draft revised Model Law that the Working Group was not able to consider at its seventeenth session (article 44 on) and will subsequently take up the remaining chapters of the draft revised Model Law. The Working Group may wish to consider the provisions of those chapters in conjunction with the relevant issues set out in

document A/CN.9/WG.I/WP.71. It is expected that other issues highlighted in document A/CN.9/WG.I/WP.71 that are not related to a particular provision of the draft revised Model Law would be considered separately after the Working Group has completed its reading of the entire draft revised Model Law.

5. In accordance with the agreement reached at the Working Group's fifteenth session (A/CN.9/668, para. 280) and confirmed at the Working Group's subsequent sessions, the documents for the session of the Working Group are posted on the UNCITRAL website upon their availability in various language versions.
